LA DENTELLE

RECUEIL DE DESSINS INÉDITS

Reproduction de DENTELLE VRAIE

DEPUIS SA CRÉATION JUSQU'A NOS JOURS

ESQUISSES ORIGINALES pour DENTELLE VRAIE et pour DENTELLE MÉCANIQUE

DOCUMENTS & MODÈLES UTILISABLES DANS TOUTES LES INDUSTRIES D'ART

Bien des Ouvrages sur la Dentelle ont été publiés, donnant avec commentaires, des reproductions de fragments divers, tirés un peu de partout, groupés très intelligemment et réunissant des documents assurément intéressants sur les produits si beaux et si variés de plusieurs siècles.

Dans celui que l'auteur offre aujourd'hui aux ARTISTES, aux Spécialistes, aux Fabricants, à tous les Amateurs d'Art, on a rapproché des spécimens de Dentelle VRAIE, des Dessins INÉDITS de mêmes dentelles destinés à régénérer et rénover les MODES d'antan, à l'aide de motifs plus en rapport avec les goûts de notre époque, ainsi que des Dessins également INÉDITS de Dentelle MÉCANIQUE, faisant ainsi de cet ouvrage utile et intéressant une HISTOIRE DESSINÉE de la Dentelle, depuis sa création jusqu'à nos jours.

Calais. Imp. Perrin Frères.
